

Club advice for the new season

1. Registration with the Club includes permission to use photography of training and matches for Club promotion and communication.
2. Players need shin pads and football boots for training and matches. And their name and team written on any jackets they wear to training!
3. Check your child has their bootlaces tied on tight so they can learn new skills and minimise the risk of injury.
4. Players that attend training get priority in team selection.
5. Help our players get the 'punctuality habit' by arriving early for training. Give them a gift to last a lifetime.
6. Arrive 30 minutes before match kick off so the coaches and players can prepare together in a calm atmosphere.
7. Cheer loudly and leave the coaching to the coaches.
8. In cold weather your child will need Thinsulate-type gloves, a beanie hat and an Under Armour type long sleeved vest.
9. In wet weather only use training trousers that drip dry.
10. Join in the fun in training and matches on Twitter @ClissoldRangers.

SEASON 2016-17 ELE League & LONDON CUP

Welcome to what is already a record breaking season for our community club. For the first time we have seven teams. Congratulations to everyone for their infectious enthusiasm, great character and generosity of spirit. And a special thanks to our volunteers and sponsors who enable us to remain affordable for any family wishing to enjoy the beautiful game in our part of the world.

And congratulations to Reiss, the grandson of our head coach Danny. Reiss joined Spurs in the close season from our U10s and had been with us since he was four.

We will keep you posted with news in our e-newsletter and our web site, Twitter and Facebook. Here's to another season of "Mud and Glory". 1, 2, 3 CLISSOLD!

About your subscription

The £155 payable for this season pays for the Clissold Rangers team kit (shirt, shorts & socks), ELE League registration, pitch fees, referee fees, training equipment, first aid kits, DBS/CRB checking costs, recruitment/marketing/merchandise costs and FA affiliation and insurance. The subscription does not pay for the 10am Technical Training which is self-funding (which costs £3.50 per session) or external coaching sessions (if applicable). However, the Club also pays towards its equipment costs. We do not want anyone to be excluded for financial reasons so please speak in confidence with your team manager if the one-off payment of annual subscription ever presents any difficulties.
